Mayor Dumas,

Directions to EPA's Boston Office can be found at: <http://www.epa.gov/region1/directions/>

You will need to go through security which is on the ground floor at the Congress Street (Post Office Square) entrance. Once through security proceed up the stairs to the elevators. Take the elevators to the 4th floor. I have reserved the Mt. Dorest conf. room which is to the right when you get off the elevators.

I look forward to seeing you on the 15th. If you have any questions in the meantime, please feel free to contact me. I will be on annual leave / furlough August 6 – 9th. In my absence, you can call Neil Handler at 617-918-1334 should you need assistance.

Sincerely,

Tonia Bandrowicz

Subject: Attleboro - EPA Meeting

Mayor Dumas,

Thank you for responding to EPA's recent letter regarding its inspection of the City of Attleboro's drinking water facility and subsequent finding of Clean Water Act violations. Following up on our phone conversation yesterday, I have confirmed that EPA technical staff is available for an August 15th meeting. I would propose meeting at 10:30 am at EPA's Boston office at Post Office Square. Please let me know if that time works for the City and I will confirm a meeting room and provide you with

directions to our office. We are also available for an afternoon meeting if that is more convenient, but need to end by 4:00 pm.

While this is an informal settlement conference, please be advised that the City has the right to be represented by its legal counsel at the meeting.

I look forward to meeting with you and the other representatives from the City and in reaching a mutually agreeable resolution of this matter.

Sincerely,

Tonia Bandrowicz
